For which role(s) are you auditioning? \_\_\_\_\_

Are you willing to be in the chorus and/or cast in a role for which you did not audition? (\*Disclosure\*: Chorus members will have costume changes and several scenes in which to participate; but should have a FUN time, bringing the fullness of the play to fruition.) \_\_\_\_\_

See attached schedule, and please list any black-out dates--those which you KNOW you will be unavailable for rehearsal.

**Audition Song:** All those auditioning will be asked to sing "Tomorrow" because that is a song which the entire cast will sing in the production. If you are selected for a call back, you'll receive further music direction regarding the character for which you are auditioning. Please see YouTube for details (try this link: <http://www.youtube.com/watch?v=Yop62wQH498> )

**Other information:** Each cast member (and parent, if cast member is a child) will be asked to sign a contract agreement to support rehearsal standards and conduct, as well as responsibilities (e.g. providing costumes, etc.).

We are excited to be bringing "Annie" to Northlake, but more than anything, we desire to bring excellence in stewardship of our gifts, talents, and facility as we "glorify God by making disciples who are growing in Christ, loving each other, and reaching our community" in this Dessert Theater production.
